

NORTH TEXAS **STARTING LINEUP**

YOU'VE BEEN DRAFTED!

You're invited to join a select few, hand-picked partners that share our passion for serving the North Texas Community. TOGETHER, we achieve our mission of making dreams come true and uniting communities!

ABOUT US

Dream On 3 exists to enrich the lives of kids with life-altering conditions by making their sports dreams come true. Our programming uses the unifying principles of sports and the power of teamwork to bring hope, love, and joy to our dreamers. In the process, these programs have become a catalyst for positive, systemic change in the communities we serve.

NORTH TEXAS COMMUNITY

Inspired by the impact we've witnessed, and at the request of members of the community, we are exploring expansion into the North Texas area. We envision furthering our mission in this community and identifying children in need through partnerships with local healthcare providers. To make this vision a reality, we seek community advocates and supporters who share our passion.

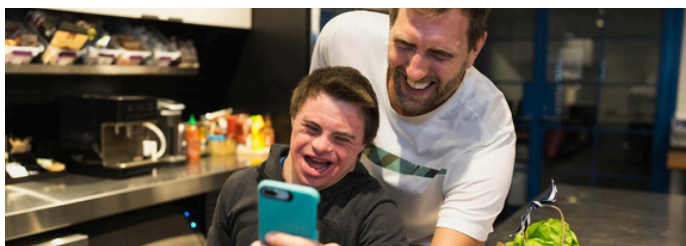

MAKING SPORTS DREAMS COME TRUE FOR KIDS WITH
LIFE-ALTERING CONDITIONS

BUT WE STILL NEED YOUR HELP...

Dream on 3's planned expansion requires \$250,000 in funding to establish our community facing workforce, begin programming to serve the area, and grow our healthcare/referral partner relationships.

We are actively seeking individuals who are interested in investing in our launch goals and establishing themselves as founding circle members. We also are interested in talking with individuals who are interested in serving on our local advisory council. Your insight and leadership in the city you call home is invaluable to us as we serve the children in your community.

We are ready to make dreams come true in the North Texas community! With your help, we can do it, together.

THE INVESTMENT

- \$10,000 / year pledge for 3 years
- 2 years of volunteer service on the advisory council of you or a member of your company

Your support will allow us to provide:

- Life-changing dream experiences to children and young adults living with life-altering conditions in the North Texas area.
- Transformational workforce development experiences for high schools and colleges students through our Jr Dream Team & Collegiate Dream Team programs
- Provide visible and meaningful community engagement opportunities for your companies & their employees
